

*Health and Safety statement for Charlotte Lloyd trading as Casbourne Equine Sports Therapy*

*It is the policy of Casbourne Sports Therapy to foster a positive Health and Safety culture in all its activities and practices; aiming to achieve high standards of Health and Safety for all those I come into contact with including myself, my clients, my patients and the general public in the main.*

I am committed to:

- Working to prevent accidents and minimising any risks to the health and safety of myself, my clients and my patients
- To the best of my ability I shall ensure any risks arising from my work are properly managed and minimized
- On all occasions, to the best of my ability, I shall maintain safe and healthy working practices
- Using and maintaining the correct equipment needed for each task (as applicable), including personal protective equipment/clothing as applicable
- Ensuring a high level of personal hygiene at all times
- To the best of my ability, ensuring the safety of both clients and patients at all times
- Ensuring, to the best of my ability, that all Health and Safety documentation is reviewed and revised [as applicable], in line with current standards and requirements
- Ensuring that all COSHH documentation is maintained and reviewed regularly
- Ensuring that any relevant occurrences are reported in accordance with the requirements of the RIDDOR regulations.

The proprietor of Casbourne Equine Sports Therapy, Charlotte Lloyd, is responsible for all aspects of the implementation, monitoring, reporting and review of this policy as detailed above.
